

## Don't stand on the cockroach

### HOOK 1

Animals-in-tuition the teach  
Animals-in-tuition they reach  
Animals from land to the sea  
Animals why don't you come and see

Animals of a spectacular fashion  
Snakes Tarantula Bearded dragon  
Learn how to handle feed and approach  
Please don't stand on the cockroach  
People listen to what we tell thjem  
In schools teachers are more scared than the children  
Lizards loose tails they grow them back  
Andrew, Marie, Jo they know the facts  
It's...

So much fun you wont fall asleep  
Talk of the rainforest and the mini-beasts  
Hangin' out with the millipedes insects galore  
Find out what reptiles use their tongues for  
Snakes shed their skin it's called ecdysis  
it's part of life but it aint the nicest  
Big wide smiles everybodu say cheese  
More from the animals yes please

### HOOK2

Animals they rule the parties

Can we all start with our hands on our knees  
They won't bite scratch or eat you  
Come see for yourself an experience thats new  
Get to know creatures you might not have met before  
They could inspire you to write inspire you to draw  
Tell us the best part send us a report  
Receive a tattoo for been a good sport

See the rooster show off likes its show and tell  
before you leave can you please use the hand gel  
You can touch or just take a look  
don't worry if you get stuck

Our animals enjoy seeing new faces  
Meeting and greeting the poeple of all sges  
Book an event before there's no spaces  
Animals-in-tuition.co.uk our base is

Here's our mission in a short summery  
To stretch out like the branch of a tree  
All over the UK we go on tour  
Even if your age is 104  
Specialist service right to the core  
Like birds wings your imagination will soar  
Bring nature to your school  
bring it to the front door  
If yor interested check the site for more

### HOOK 3
